Location Plan at Ascot Kayak Club:

A section of Garvey Park, next to Ascot Kayak Club, will be fenced off as a secure pen for competitors' boats. Racks will be provided for storage of boats within this area. There will be security lighting and supervision at night time. There will be a shower block and toilets in the same area to supplement club facilities. The sketch below shows the plan for the boat pen and its location with respect to the portage and the club rooms.

Transport of Boats:

Event organisers have made an arrangement for transport of boats from out-of-state to WA & return. This transport should be booked and paid for via the link in the event registration.

The plan is for the transporter to do a round trip of pick-ups from Brisbane, Sydney, Melbourne and Adelaide and to deliver boats to the Perth event location in time for practice on 16th May. The return journey will commence as soon as possible after the event, most probably 20th May 2019.

Costs [To Perth Return and plus GST] will be as follows:

Brisbane: \$400, Sydney: \$350 Melbourne: \$350, Adelaide: \$300

Time and locations for boat drop-off will be recorded in the registration, once they have been finalised. The transporter is The Kayak Courier, Richard Wikaire 0414 889 499 kayakcourier@gmail.com. Reservations should be made via the event registration not directly through Richard.
